

Trolley Day Passes are available at participating hotel registration desks. A Metro operator will validate the pass on a passenger's first boarding, making the pass good all day.

Passengers without a Trolley Day Pass from a hotel may use trolley service with a valid Metro Monthly or Day Pass, or for a \$1.75 exact cash fare. Senior citizens (65 and older), the disabled and Medicare cardholders may pay reduced fares, with proper ID (see nfta.com for details). Children ages 5-11 pay reduced fares. Children four and under ride free with a fare paying adult, a limit of three free children per fare paying adult. All Metro vehicles are wheel chair accessible.

Trolley Day Passes are valid on regular Metro Route 55 buses, which run between downtown Niagara Falls and hotels and motels along Niagara Falls Blvd. They use the same route as trolley buses.

Trolley stops closest to the Niagara Falls State Park are on Rainbow Blvd. at Michael O’Laughlin Dr. and near Old Falls St.

Route 55T Metro Trolley Map

Stops are indicated with Route 55T signs as shown on the map.

For return trips to Niagara Falls Blvd. hotels and motels, board 55T trolley buses at any of the downtown stops. Returning trolleys will have a “Niagara Falls Airport” destination sign in the front window. Ask the trolley bus operator if you are not sure.

A regular Metro bus may be substituted for a trolley bus on occasion. Please look at the route sign on the bus if it is arriving per the trolley schedule. If the sign reads 55T PINE AVE

and 55T TROLLEY, a regular bus is filling in for a trolley bus.

Hotel personnel are not eligible to use Trolley Day Passes. If operators suspect employees of personal use, the appropriate hotel will be notified.
