How to Ride Metro's Niagara Falls Trolley

About

Metro's Niagara Falls Trolley serves Niagara Falls Blvd., Pine Ave., Niagara Falls International Airport, and downtown Niagara Falls, USA.

Is the Trolley free?

The Trolley is free with a Trolley Day Pass. The front desk staff of participating hotels will provide a digital Day Pass. If you don't have a pass the Trolley is \$2 per ride, payable with MetGo, Token Transit, or cash (exact change). Children nine and under ride free, up to three children per paid fare.

Can I use my pass all day?

Yes, your 2025 Trolley Day Pass can be used all day (expires at 4AM). Please note a Trolley Day Pass must remain in a rider's possession at all times when using Metro services.

Where do I pick up a Metro Trolley?

To ride the trolley, find the timepoint (indicated on the schedule) nearest to your stop. Stops are indicated by a red, white, and blue sign with a trolley icon or Metro Route 55 signs. When the trolley approaches look for the destination on the lighted display on the front or side of the vehicle. If you are not sure it is the right trolley, ask the driver to confirm.

Where can I find more information on Metro's Trolley service?

For more information, visit nfta.com. You can also visit the Niagara Falls USA Official Visitor Center at the corner of First St. and Rainbow Blvd. in downtown Niagara Falls, or visit their website niagarafallsusa.com.
