Pursuant to PERB Case No. C-5155, the NFT Metro recognizes the Teamsters Local Union #264 as the representative of NFT Metro Transportation Supervisors.

The Employer recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing salaries, wages, hours and other conditions of employment and the administration of grievances arising thereunder for the term of this agreement for all employees covered by this agreement in all classifications as determined by the New York State Public Employment Relations Board to be in the bargaining unit.

The period of unchallenged representation for the Union shall be the maximum permitted by the Taylor Law.

The terms "employees", "transportation supervisors", "member", are used interchangeably herein to refer to permanent employees (excluding those employees on probation) of the NFT Metro, on a full-pay status, who are represented by the Union and whose terms and conditions of employment are governed by this agreement. These terms are used to designate both male and female.

Section 1.2: Purpose of Agreement

The parties hereto declare that it is their policy as implemented by this agreement to promote harmonious and cooperative relationships between NFT Metro and the Union and to protect the public by assuring, at all times, the orderly and uninterrupted operations and functions of NFT Metro. This agreement will also establish equitable and peaceful procedures for the resolution of differences and the establishment of rates of pay, hours of work and other conditions of employment.

Section 1.3: Applicable Law

In consideration of the mutual covenants and agreements, herein contained, NFT Metro and the Union, through their authorized representatives, agree that this agreement has been negotiated pursuant to the provisions of the Public Employees Fair Employment Act and is governed by the applicable provisions of New York State law.
